**70.NAVY** 

Please carefully check all the details included in this draft. It's your responsability to make sure the placement of the logo, the colours and the design of the layout are correct. Your confirmation is final and irreversible.

As the design is brought to production, the elements of the mock-up could be slightly different in terms of positioning and size at time occurring, after final approval by the client. The colours as represented on the screen are for illustrative purposes only, for a more accurate indication please refer to Pantone matching system.
